He is assisted by Jean Linscheid, Vida; Nancy Hays, Missoula; Bob Haight, Billings; Gordon Rognlien, Kalispell; and Mary Maurer, Libby. In charge of stage preparation at Union theater is Jack Shapira, New York City. He is assisted by Arjorie Lovberg, Missoula; Pat Hobbs, Missoula; Gerald Wolfard, Bozeman; Alan Goddard, Butte; and Dorothy Ross, Modesto, Calif. The four best plays will be given Saturday night in Simpkins. The public is invited, said Mr. Weiss. A reception will be given by the Squares in honor of Dr. Lees Friday evening in Simpkins.

Serenade Tonight For Neophyte Mortar Boards

Living groups having a newly selected member of Mortar Board, senior women's honorary, will be serenaded by present members at 1 a.m. Thursday night.

New members will be tapped at SOS Friday. Members for Mortar Board are selected for outstanding academic work and service to the University. This year, in order to be eligible for consideration, a girl had to have a 2.8 accumulative grade point average.

Central Board Petitions Are Available

Petitions for special election of a senior delegate to Central board May 21 may be obtained in the ASMSU business office, according to Peder Hoiness, Billings, business manager.

The petitions must be turned in to the ASMSU office Tuesday and will be validated by Central board Wednesday.

The vacancy in the board was created when Norman Anderson, Chinook, resigned to take the post of ASMSU president. Anderson replaced Dave Leuthold, Billings, winter quarter, when Leuthold took a position as reader in the state legislature.

According to the constitution, a candidate for Central board must be nominated by a petition bearing his own signature and the signatures of at least 10 other students eligible to vote for that candidate.

The two candidates receiving the largest number of votes in the primary will run in a final election May 26.

Graduating seniors will be able to secure tickets for the Commencement exercises and the Commencement dinner May 27 in the Student Union office. The fact that "only those seniors who are actually participating in the Commencement exercises may secure tickets" was stressed by Prof. O. J. Bue, chairman of the Commencement committee.

SPECIAL HOURS FOR GIRLS DURING INTERSCHOLASTIC

University girls will have 1 a.m. hours Thursday as well as Friday and Saturday nights of this week because of the interscholastic, which will be in Missoula on these days. All high school girls staying on campus will be required to keep these hours, according to Mrs. Miller, secretary of the dean of students.

Students to Hear Journalism Profs

Two MSU School of Journalism professors will speak to high school students this week.

Dean James L. C. Ford will speak to a general assembly of students at Thompson Falls today. He will speak on "Careers in Journalism," drawing on his own experience as a practicing newsman and journalism teacher.

Prof. E. B. Dugan was guest speaker Wednesday, May 13, at the junior-senior dinner at Charlo high school. He spoke on "What the Future Holds," analyzing prospects in various fields for the student after he finishes high school.

Numerous Entries Made for Speech

Interscholastic speech events are attracting many entries this year. There are 33 entries in original oratory and 41 in extemporaneous speaking.

Fourteen schools have contestants entered in debate, and 26 schools are participating in the Little Theater festival. Interscholastic declamation has attracted the largest entry list in three phases, humorous, oratorical and serious. Fifty contestants will compete in the humorous selections, 19 in oratorical, and 60 in the serious selections.

exercises will be available in the Student Union office May 27 from 2-4, May 28 from 10-12 and 1-4, and May 29, 10-12. Each unmarried senior is allowed two tickets and each married senior three. If more tickets will be needed, make an appointment with Mrs. Helen Warden at the Alumni office in the Law building, room 10. Extra tickets will be given out in the alumni office June 4.

Commencement dinner tickets must be secured on May 27, 2-4, May 28, 10-12 and 1-4, or May 29, 10-12. The price is \$2 for seniors, faculty, alumni, parents, and friends. The dinner is informal.

Each graduating student is required to fill out record cards for the alumni file. If possible, each student should pay the \$2 dues to the Alumni association when he fills out the record card. Professor Bue urges all students to take advantage of the benefits derived from the association.

The Senior convocation, May 26 in the Main hall auditorium will begin commencement. June 5 will be the prizes and awards convocation in the Student Union. The commencement dinner will be June 6 at the Hotel Florence at 5:30. A band concert will be given Saturday, June 6 at 8 o'clock on the oval, followed by Singing on the Steps at 8:40. Saturday's events will end with the Lantern Parade of Associated Women Students at 9 p.m.

Baccalaureate services will be Sunday, June 7 at 8 in the Student Union auditorium. There will be an art exhibition in the Woman's Club-Art building from 2:30 to 5:30, and a museum exhibit on the third floor of the Journalism building from 2:30 to 5:30. A sons' and daughters' tea for the alumni parents will be given in the Student Union lounge from 4:15 to 5:30. A concert by the Symphony orchestra will be at 3 o'clock in the Student Union auditorium.

Monday, June 8 at 2 o'clock the fifty-sixth annual commencement will begin in the Student Union auditorium. The day will be concluded by a reception by the University to the graduating class and their relatives, alumni, and friends in the Gold room of the Student Union at 3:45.

Professor Bue stated "the commencement ceremony will be shortened this year because there will not be a commencement speaker."

LITTLE MAN ON CAMPUS BY DICK BIBLER

"Good Morning, Professor Snarf."

Sports Editor Believes Changes Needed in

Intramural Program

Last week Central board passed the 1953-54 ASMSU budget and one of the few changes was a decrease from 2.2 per cent to 2 per cent in the men's intramural allocation. Assuming that 1,800 students next year pay a \$10 activity fee per quarter, men's intramural sports will receive \$1,080.

There should be expenditures for more than this amount in a twelve-sport intramural system such as we have at MSU, but last year \$600 of the \$1,118 allotment was saved under these same conditions.

The Case of the \$600

When the fact that the intramural department put \$600 in reserve from last year was revealed last week, many team participants and coaches asked why this money hadn't been used for new or improved equipment. Intramural games have been played with poor basketballs, football and softballs; the softball backstops are poor because they are too small, pitchers' boxes on the Clover bowl could stand a little labor, bleachers could be put up around the Clover bowl during touch football and softball season, more track equipment could be used, and towels could be provided in the shower room for intramural participants. These suggestions are only a few of the improvements that could be made to better our intramural system, yet we have \$600 that can't be spent.

In answer to these gripes, George Cross, intramural director, said they have new basketballs, footballs, and softballs, but every time they are used some of them are not returned. Naturally he is reluctant to use new equipment.

University Ruling Is the Key

Concerning such things as backstops for softball and other permanent equipment, Cross said there is a University ruling stating that only expendable items can be bought with men's intramural funds. Permanent articles cannot be bought from the intramural budget.

How can these permanent items (no one knows who specifies whether an item is permanent) be acquired and used if the intramural department doesn't buy them? There is nothing in the student constitution stating where the money should be spent in the various departments. The intramural regulations state that the intramural director is responsible for all expenditures from his budget. A ruling such as the one mentioned above is ridiculous.

No Plans to Expand Imminent

There are no plans to expand our intramural program for next year. The cut in the budget will not hurt anything. Bill Shreeve, senior manager of intramurals, said there is a lack of enthusiasm in the program at the present time and if there is no increase in enrollment next year there is no reason to expand. The smaller living groups are complaining about too much to do.

It appears that the problem is not in the size of the program but in the quality of the program we now have. Perhaps more and better management is needed to build the program to a point where there will be more interest in it.

More individual trophies could be given away to stimulate interest, more track equipment would give the students more incentive to participate, use of the scoreboard and clock at intramural basketball games would help. These things cost money and they may seem trivial, but they are the things that will build up intramurals at MSU. But money could be spent most advantageously for handbooks.

But We Do Need Some Handbooks

Many colleges print intramural handbooks at the first of each school year and make them available to all interested students. This publicity adds a great deal of interest. The booklet includes intramural regulations, duties of managers, sports included in the intramural system, tentative dates when entries are due, when the sport will start and finish, and the winners of the previous year. This booklet would not only add interest through publicity, but would give everybody a better understanding of the system, its rules, and the procedure of events throughout the year. Consequently much of the bickering which takes place over the schedule of events and the rules involved would cease.—B.N.

Letters to Editor . . Dean of Forestry In Tizzy Over Editorial, Story

I wish to draw your attention to an editorial that appeared in yesterday's Kaimin (May 12th), which states that "The Forestry school . . . is already in a tizzy over H.R. bill 4023," and an article on the front page of this morning's Kaimin (May 13th), which is headlined "Forestry Members Intend Opposition to D'Ewart's Bill."

The use of the terms "Forestry School" and "forestry members" has been used without the approval of the school or members of its staff and the articles do not, for that reason, speak for the school or its faculty. It is not the policy of the Forestry school to express an opinion on controversial issues such as this.

Campus Groups Plan 'PJ' Party

A pajama party, sponsored by the Student Christian association and the Associated Women students, will be given Thursday night to welcome the high school girls who are staying in Craig hall and attending the Interscholastic events. The party will be in Craig hall, the new dormitory.

One hundred and fifty girls are expected to stay in the dorm. Eight freshman girls, including girls from Missoula, New and North halls will act as hostesses in Craig during the week. Aside from the eight hostesses the pajama party will be attended by Marilyn Foster, president of AWS, Donna Larson, president of SCA and the eight new junior sponsors.

Sun Bathers Get Advice on 'How'

Summer is here and sun bathers have already started acquiring tans. The staff from the Health service has some suggestions for the sun-bathers.

1. Start out gradually to acquire a summer tan. Ten to 20 minutes is long enough for the first day.
2. Do your sunbathing before 11 a.m. and after 2 p.m.
3. Protect your eyes from long, direct exposure.
4. Get medical attention for severe burns.
5. Try to avoid over-exposure.
6. Use common sense in your sunbathing efforts. You know your own limitations.

Bear Paws to Aid In Registration

Bear Paws will be assisting with the registration of Interscholastic contestants at a booth in the Eloise Knowles room of the Student Union Thursday and Friday mornings, according to Hugh DeMers, chief Grizzly.

They will distribute pamphlets on University curriculum and show visiting high school students around the campus.

Bear Paws and Spurs will again be in charge of a concession at the

Young, But Strong . . .

These freshman track stars have added depth to the Grizzly varsity squad this spring. They have compiled many points for Montana with first, second, and third places against Skyline foes. Kneeling, from left to right, are Rudy Weishaar, John Heltterline, Ray Dunn, and Hal Utsond. Standing, from left to right, are Don Halverson, Don Bissell, Walt Lonner, Don Archibald, and Floyd Smith. Utsond has been outstanding, winning first place in the javelin throw against Utah State and BYU. All the men pictured except Heltterline were scheduled to make the trip to Provo today. Ron Van Hee, another frosh varsity man, is not pictured.

MSU's 47th Interscholastic Trackmeet Begins Friday

Montana State University will be host to 765 high school track participants Friday and Saturday afternoons in the 47th interscholastic trackmeet on Dornblaser field. Sixteen Class A schools will be competing for the crown won by Helena last year. In the Class B ranks, 79 schools will be expected to take the title won by Polson in 1952. Missoula County high school, last year's runnerup, will have 24 possible entrants, while Belgrade, Frenchtown,

Making the trip to Spokane and Moscow will be Don Welch, Lee and Don Williams and Charles Davis. Tuesday, the linksters, having been home a little over a day, will leave for Utah where they will play two makeup matches with Utah and Utah State, before going to the conference meet in Denver May 21-23.

Ex-champs to Vie For Tennis Titles In Interscholastic

Play in the women's Interscholastic tennis tournament will begin Friday morning at 8, according to general manager Gwen Flightner, Darby.

Fourteen women have entered the singles division, and 11 doubles teams will compete in the doubles tournament. Due to the lack of tennis courts this year, towns were limited to one entry in both divisions.

In the singles division Connie Jensen, Hamilton, runner-up in last year's tournament, will be battling against Liz Astle, Billings, winner of the 1952 Midland Empire tournament in Billings. Also trying for championship will be Roxy Perrior and Shirley Thomas of Missoula, who copped the doubles championship in 1951 and 1952.

The following towns have entered teams: Missoula, Hamilton, Butte, Glendive, Great Falls, Victor, Anaconda, Darby, Corvallis, and Miles City.

Previous winners of women's Interscholastic tennis were: 1947, Dona Skates (Sherbeck), Billings; and Mrs. Sherbeck and Beverly Madson, Billings, in doubles; 1948, Joanne Kerlee, Butte, singles, and Carol Gingerich and Helen Gingerich, Victor, doubles; 1949, Joanne Kerlee, Butte, singles, and Audrey Siverts and Shirley DeForth, Glendive, doubles; 1950, Betty Oberhofer, Miles City, singles, and Miss Oberhofer and Virginia Jones, Miles City, doubles; 1951, Mickey Hogarty, Billings, singles; Miss Perrior and Miss Thomas, Missoula, doubles; 1952, Audrey Siverts, Glendive, singles, and Miss Perrior and Miss Thomas, Missoula, doubles.

Softball Results—

Jumbolaya swamped Phi Delta Theta 21-1 in a five-inning game. Sigma Phi Epsilon edged Education club 11-10. South hall won their first league game by defeating Phi Sigma Kappa 14-6. Alpha Tau Omega beat the Dukes 16-3.

Softball Schedule—

The regular season softball schedule will be completed today. Theta Chi and Sigma Nu meet on field No. 1 at 4:15. Milne and Coleman will officiate. Jumbolaya and Education club will play on field No. 2 at 4:15. Officials: Bradshaw and Howe.

George Cross, intramural director, said two protested games may have to be played off before the tournament. They are Sigma Nu vs. Foresters and Sigma Chi vs. the Dukes.

Grizzly Trackmen Enter Division Meet Saturday; Redskin Win Predicted

Montana's varsity track squad left this morning at 8 for the Western divisional trackmeet at Provo, Utah, Saturday, May 16. Coach Harry Adams, Trainer Nase Rhinehart, and 21 men made the trip.

Adams said they would have a heavy workout at Pocatello, Ida. this afternoon and then travel on to Ogden, Utah tonight.

From Ogden they will have only a short trip on to Provo Friday morning.

The Grizzly thinclads will have a light workout at Provo Friday afternoon.

Adams said he expects Utah to win the meet but Montana will give them rough competition in all events. Rife of Montana is the leading miler and two miler in the Skyline conference so he should win first places in these events.

Freshman Don Bissell will not make the trip because of an infection in his arm. Bissell was a strong 440 candidate for the Grizzlies.

Mike Luckman, Bob Beach, Hal Maus and Neil Hunter will represent the Silvertips in the weights. Rich Johnson, Bob Hudson, and Hal Utsond are probable point getters in the broad jump. Utsond

and Ed Stoking throw the javelin.

Dick Lindsay is Montana's strong man in the hurdles. Lindsay's 14.8 time against BYU should be good enough to win the high hurdles, providing he can repeat his performance. Tovey of Utah is the only likely candidate to beat Captain Leon Conner of the Grizzlies in the 440.

Walt Lonner should place in the 440 also. Don Halverson, Floyd Smith, Don Archibald are also good 440 men and should help fill out a strong mile relay team. Don Brant will be running the sprints for the Silvertips. Marv Reynolds should place in the half mile.

Doug Delaney, George Tarrant and Rudy Weishaar will pole vault for the Grizzlies. Ray Dunn will be Montana's only entry in the high jump.

Bobcat, MSU Series Renewed In Bozeman Double-header

BY J. D. COLEMAN

Saturday afternoon fans at Williams field in Bozeman will witness the first Grizzly-Bobcat baseball game in over a quarter of a century, when these two clubs tangle in a doubleheader.

The Bobcats will go into this series loaded for bear, Grizzlies, that is. They have ten men hitting over .300 and two over .400. The Cat's leading hurler is Jim Brown, a freshman from Billings, who has a 5-1 record. He is also one of their leading batsmen. Montana State has a record of six wins and two losses in Montana collegiate play and have scored 121 runs in those eight games.

The Grizzlies go into the series sporting a 7-5 conference record, plus two non-conference victories over a strong Gonzaga team. Gene Carlson will start for the Grizzlies in the afternoon game and Dick Hansen will get the nod for the evening tilt. Although the Grizzlies do not sport as high a batting average as the Bobcats, they have compiled it in a tougher league, the Skyline conference.

Pitcher-outfielder Gene Carlson is leading the Grizzly club in con-

ference batting with a .390. Ed Anderson is second, and is tops in the RBI dept. Carlson is also the leading pitcher with a 4-1 record.

The Grizzly batting and pitching statistics for conference games are:

AWS Planners Busy at Retreat

Plans for a charm, poise, and beauty course on the order of the course given Miss Montana candidates were discussed at the annual AWS spring retreat May 6.

Moneymaking programs such as selling cookies made by the off-campus women, sponsoring "car toll days" and "girls carry books days" were suggested.

A plan to give 11 o'clock hours on a week night and then charge the girls one cent for every minute they stayed out after 10:30 was also suggested as a money-making project for AWS.

Speech Events In Four Units

Declamation, debate, extemporaneous speaking, and original oratory comprise speech events for the 47th Interscholastic.

A trophy is awarded by the Montana High School Speech league to the school scoring the most points in all events.

Declamation is divided into three types, serious, humorous, and oratorical. Six speakers will participate in the final contest Friday evening.

"Resolved, That Atlantic pact nations should form a federal union," will be the question for debate entrants. Each school will enter a two-man team and pairings and sides will be chosen by lot. Eighteen schools are entered in the division. Finals will be in the Bitterroot room at 4:30 Saturday.

Extemporaneous speaking has 32 entries, with the highest ranking six speaking in the finals. Topics will be "The 1953 Congress," "The United Nations, 1952-53," and "Conservation of American Natural Resources."

There are 31 students entered in original oratory. Two will speak in the final program.

MEMBERS OF PHARMACY FACULTY ATTEND MEET

Some members of the Pharmacy school faculty attended a district No. 7 meeting of the American Association of Colleges of Pharmacy at Laramie, Wyo., said Dean Jack E. Orr.

Dean Orr and Professors John F. Suchy, Muriel R. Loran, and Gordon H. Bryan attended. Professional papers were presented by Dean Orr and Professor Suchy.

Several Activities Scheduled in SU

Varied Interscholastic activities will take place in the Student Union this week end, according to Cyrille Van Duser, Student Union manager.

Headquarters for registration and housing will be in the Eloise Knowles room. Little theater festival will be in the auditorium Saturday. Friday and Saturday nights there will be dances in the Gold room with the Rolland Grotte and Bill Sanders bands playing Friday and Saturday respectively.

"This is Your University," a movie of MSU campus life, will be shown Friday and Saturday nights continuously from 7:30 p.m. on in the Bitterroot room.

FELLOWSHIP MEET CANCELED

There will be no Interscholarship Christian fellowship meeting Thursday night. Instead, the group will attend a IVCF spring conference at Camp Lowlands near Butte Friday-Sunday.

Students to Get Speech Bestowals At League Conf

MSU speech awards will be presented to 15 students Friday night at 6 p.m. at the annual banquet of the Montana Speech league. The banquet will be held in the Montmartre cafe.

New Paint Adorns Tennis Courts

Good weather has enabled Bear Paws and prospective Bear Paws to continue their painting of the lines on the tennis courts, said president Hughie deMers, Arlee.

Tuesday afternoon, 14 students were busy painting, and 13 were out last Saturday. Bear Paw Jim Ryan, Missoula, who is in charge of the work, says it takes about one and one-half hours to do a court.

Fast-drying yellow traffic paint, furnished by the university, is being used, and masking tape is employed to give the lines a straight edge.
